Richie Keen has been tapped to direct **TV Land**'s comedy pilot *Teachers*. Based on the popular web series, *Teachers* revolves around six elementary school teachers who are trying to mold the minds and lives of America's youth, but they don't really seem to have their own lives together at all. From making their class help them stalk exes online, to altering a grade because the art teacher is "kind of a bitch," these teachers certainly are changing the world, one student at a time. Keen's previous directing credits include *It's Always Sunny In Philadelphia*, *New Girl*, *Mixology* and *Sirens*. He's repped by CAA, Scott Fedro of Lonestar Entertainment, and attorney Adam Kaller.
